

CONSTRUCTION & UTILITY DIVISION

A LEADING U.S. DISTRIBUTOR OF CLT, COMPOSITE & TIMBER MATS AS WELL AS A WIDE RANGE OF UTILITY POLES, PILING, TIMBERS AND LAGGING WITH INVENTORY STRATEGICALLY LOCATED ACROSS THE COUNTRY

WHAT WE DO -

Construction & Utility supplies primarily CLT mats, composite mats, crane mats, timber mats, timber piles and utility poles, in all species, both domestically and internationally, across a broad spectrum of industries that include oil and gas, electric utilities, telecommunications, wind, etc....

Other products we supply include lagging, pipe-skids, timbers, wood fencing and re-manned wood products.

WHO WE ARE -

Construction & Utility's sales team has been operating in this space for a combined 140 years. We utilize an unparalleled supply base, diversified logistics and product knowledge to offer best in-class service to our customers both domestically and abroad.

"Our focus is on you and offering solutions to challenges you may face"
